COMMENTS FROM THE TOWN MANAGER'S OFFICE

At the last meeting of the Board of Selectmen it was voted to purchase a snow plow frame for the 1958 International truck. This frame is of the same type as used on the 1958 International. The complete unit cost is \$2,500.00 which will be paid from future earnings of the truck rental account. If the full amount is paid prior to Dec. 31, 1959 there will be no interest or carrying charge. A period of 14 months should be ample time to settle the account in full. The new frame will replace the obsolete attachment that was used on the 1954 Chevrolet.

Copies of the Zoning Ordinance are now available at the Town Office. There will be no general distribution, but anyone desiring a copy may call or write the Town Office or come in person.

In the very near future the Town Garage property will be posted with no trespassing signs. These signs are not being put up with the intent of keeping any taxpayer off town property who has business at the garage or wishes to visit the garage while any of the men are on duty. The sole purpose of the signs are to keep persons off the property who have no business with the town. Who we might believe, would if conditions permit, attempt to destroy or molest town property. Also presently consideration is being given to erect a fence on the east side of the lot.

Sincerely,
Harold L. Bean

THREE MAINE AREAS NAMED AT LABOR SURPLUS AREAS

The Maine Employment Security Commission has announced that the U. S. Department of Labor has classified three Maine areas as Labor Surplus Areas. The three areas were the Portland Metropolitan area, Lewiston Labor Market area, and the Biddeford-Saco labor market area.

Although many areas in Maine have a labor surplus the labor force is not of sufficient size to be classified under the U. S. Department of Labor standards. Portland, Lewiston and Biddeford-Saco were all classified as having a substantial surplus. Statistics were made for the September period.

The current rate of unemployment to the total labor force for the last reporting period was 10.1 per cent. Portland 10.1, Lewiston 10.1, Biddeford-Saco 10.1.

Federal policy directs special attention to placing contracts with firms located in labor surplus areas. With purchases are awarded to the lowest competitive bidder. The full purchase may be awarded by a procurement agency. The agency and award to firms in areas of labor surplus which meet the price established through the formal competitive bidding process. In the event of no bids a contract is to be awarded to the firm located in a labor surplus area. Firms contractors are also encouraged to award sub contracts to firms located in such areas.

Over 600 Attend G. A. Parents' Day

Elwood F. Ireland, Headmaster, pronounced Gould Academy's Parents' Day one of the most successful ever. Over six hundred were on campus Saturday, Oct. 11, to take part in the activity filled day. Registration went on throughout the day.

The girls cooperated by winning a variety and junior variety game in field hockey with the Kents Hill team. They also won the archery match and the tennis matches. The boys won the football game with Lyndon 7-2. The crowd was disappointed not to see the Gould and Lyndon bands perform at half time, but the downpour just didn't allow it. Students attended the social hour in Holden Hall after the game, where refreshments were served. Parents met trustees and members of the faculty at a tea in the gymnasium. Beginning at 5 p. m., Gould Academy students and their parents were guests of the school at a chicken barbecue served in the field house. About 650 people were served a delicious meal. Seeing the chickens roasting really had an effect on appetites that were pretty good by then.

At 8 p. m. the talent program got underway in the William Bingham Gymnasium. Especially good features, many of them by freshmen, made for a truly enjoyable evening's entertainment. Donald Christie was master of ceremonies. The first number was a jazz combo from Holden Hall made up of Kirk Newell, Jim Weston, Bob Weston, and Doyden Ward. Next Margery Dillinger and Betty Vinton, freshmen, danced in costume a Spanish dance. The castles which they used created a realistic Latin rhythm. Dwight Lord, a freshman, played two numbers on his trumpet, accompanied by Nancy Cole.

The program closed with the first appearance of the Varsity Glee Club under the direction of Mr. Owen. The Glee Club sang "Do, Lord" and "You'll Never Walk Alone."

David D. Thompson was faculty advisor for the program. Afterwards there was dancing with three contests. Winners of the Mother-Son contest were Deborah Webster and her mother, Deede McCann and her father, Deede McCann. The Father-Daughter contest. The judges could come to no decision on the Parents' Waltz, and so a box of chocolates was presented to be passed among all.

With little interference from the government the extension of the school year has been decided. People had faith in the extension after all. Naturally, this is all that is needed. No amount of government spending will persuade people to pay unless they are convinced that a purchase is desirable.

NEW 4-H CLUB YEAR OPENS — Young people in Maine between the ages of 9 and 21 are now enrolling in 4-H clubs as the new club year gets underway. All young people are invited to join 4-H clubs in their communities, says Miss Margaret F. Stevens, assistant state 4-H club leader, Maine Extension Service. She also issues a call for interested adults to volunteer their services as local 4-H club leaders and assistants. She suggests that potential 4-H club members and leaders get in touch with local 4-H leaders or the county 4-H club agent at the Extension Service office in the county. New 4-H clubs should be organized and old clubs should reorganize very soon. This gets them off to a better start toward a successful year of 4-H club work in agriculture, home-making, and other project work.

She won her first set 6-1, lost the second, and then a close struggle won the third set 6-4. Playing on the next court was Betty Webster with victory in her first two sets, 6-1 and 6-3. Linda Andrews, after losing the first set 2-6, came from behind in a victorious battle to win the next two sets 6-2 and 6-3. Nancy Cole, a freshman, put up a good fight, winning the first set but losing the next two. Janice Hague lost on a very close match, 7-5 and 6-4.

In the Goula Cole and Corey were well matched against their opponents, beating them only after a hard struggle, 6-7 and 6-3. Wins on 6-2 and 6-2 out of three sets were Linda Andrews and Betty Webster in the second doubles match. Donna Jean Riggs and Sandy Burns were partners in the first doubles match, and though they fought hard they lost to Kents Hill. And last but not least were Linda McMillin and Nancy Lincolnton, who were tied at the end of two sets with no time in which to play the third set. Congratulations to all the Goulders and to Mrs. Richardson, the instructor and coach. You certainly helped to make this year's Parents' Day a good one.

Archery (Penny Davis)
On Oct. 11 21 archers, 12 Gould girls and nine Kents Hill girls "broke it out" in the Junior Columbia Round with Miss Stral as Lady Paramount. Each girl shot 27 arrows at 20, 30, and 40 yards. Gould

won by a large margin; good sportsmanship was displayed on both sides. Those on the Gould team were Pat Probst, Barb Sprague, Gloria Burris, Sara Stow, Julia Reynolds, Laurel MacCall, Sue Denison, Meredith Bennett, Norma Korbonson, and Dotti Kimball. The high scorers for Kents Hill were Jean Melaculent, 149; Judy Nealand, 136; and Gail Richardson, 129. Their team average was 101. The girls who kept track of the scores at each target were Penny Davis, manager, Elizabeth Jackson, and Marjane Brown.

Bridgton at Gould Saturday
Bridgton High, 26-11 winner over Norway last Saturday, will be Gould's at home opponent next Saturday. The Huskies won a 7-2 decision over Lyndon last week, but they didn't look good doing it. It looks as if Bridgton should come through with its first victory over the Academy eleven. The victory, along with South Paris High over took the Central Western Maine Conference champs. At least they are the teams that bear watching. Norway High is still in the running too.

Portland Defeats Gould Runners
Portland High's unusually strong cross country team had little trouble taking Gould here last Tuesday by a 14-41 score. Flanders, Committ, and McPhee of the visiting team finished first for a three way tie in 13 minutes 35 seconds. Don Angeline was Gould's leading runner, finishing in 4th place. It was the Huskies' first defeat in three starts and the third straight victory for the winners.

Gould 7—Lyndon 2
Gould Academy won from Lyndon Institute here on Parents' Day by a 7-2 score. It was the second victory for Gould in 4 starts and the Vermonters fourth straight defeat. The teams battled on even terms throughout the first half. Midway in the third period Gould started a drive from their own 32 yard line to score in just 8 plays. A nine yard plunge by Sumner and a 44 yard dash off his own left tackle by Fred Dillinger set up the score. Al Sumner went over center from 1 yard out to score. Guy Burnham added the extra point on another slash off tackle.

In the final period Lyndon passed 11 times but only made one good for 18 yards while 2 were intercepted. A Gould punt blocked on the 21 yard line rolled into the end zone and was covered by Al Sumner, which resulted in Lyndon's 2-7.

Fred Dillinger and Al Sumner were the chief ground gainers for Gould.

STATE OF MAINE
To all persons interested in either of the Estates hereinafter named: At a Probate Court held at Paris, in and for the County of Oxford, on the sixteenth day of September in the year of our Lord one thousand nine hundred and fifty-eight, from day to day from the sixteenth day of said September. D. 1958, at 10 o'clock in the forenoon, and be heard thereon if they see cause.

Isabel T. Treadwell, late of Bethel, deceased. First and Final Account presented for allowance by Ada Treadwell, Executor.

ANTHONY M. MORRIS, late of Bethel, deceased. Will and Petition for Probate thereof and the appointment of Roseline M. Launier as the executrix of the same, to act without bond as expressed in said Will, presented by Roseline M. Launier, the Executrix therein named.

Witness: Robert T. Smith Judge of said Court at Paris, this sixteenth day of September in the year of our Lord one thousand nine hundred and fifty-eight.

EARLE R. CLIFFORD, Register

Could while Steve Karpowich and Dave Marsh played well defensively. Russ Simpson and Hubert Wagner were the workhorses of the Lyndon backfield.

Lyndon had a 10-8 advantage in first downs. Gould tried 4 passes, none of which were good, and one was intercepted. Lyndon's passing was equally futile as they passed 15 times and completed only one for 18 yards. Two were intercepted.

Parents' Day Field Hockey
On October 11th Parents' Day began with girls' interscholastic competition consisting of hockey, tennis and archery.

Shortly after 9:30 the Kents Hill teams, who were our rivals, arrived on campus, and at 10:00 the archery, tennis and J.V. hockey games were in full swing.

After Gould's J.V. hockey team came through with a 6-1 victory, our varsity followed suit with a 4-3 victory. In the meantime Gould's tennis and archery teams were also victorious in their competition.

When competitions were completed, a cook-out was enjoyed by the girls of both schools, served by the Gould girls. We wish to thank the girls on the cook-out committee for their job was important in making the day successful.

Special tribute should be paid to the school cook, team managers, ball retrievers, score keepers, and especially to Miss Duffy, Mrs. Richardson and Miss Huel for their contributions to the skill of the teams. — Merry Ring, Dixie Lee Brown, Mary Willard.

Remember that printed matter can be bought at widely varying prices. The bargain hunter can only hope to get his money's worth. The cost of good printing need not be high, and the buyer is assured of satisfaction.

It will be of advantage to all users of printed matter to consult us before buying. We can supply calendars, NCR and one-time carbon forms, many kinds of forms and office supplies promptly and economically.
